Mayor Narkewicz Announces Resumption of Normal Operations at E.J. Gare Parking Garage for Thursday November 7, 2013

Mayor Narkewicz announced today that the previously malfunctioning pay-on-foot parking system in the E.J. Gare Parking Garage has been repaired and will resume normal operation beginning tomorrow morning, Thursday, November 8, 2013 at 7:00 am.

Repairs to the system had been held up by the delayed arrival of needed replacement parts and system components shipped from Germany via the Canadian distributor, CPE/APE.

The temporary manual collection and fee system instituted last Thursday will be lifted tonight to allow for the transition back to the pay-on-foot and automated gate system.

"I want to thank residents, visitors, and downtown business owners for their patience and understanding as we resolved the mechanical issues that put our garage pay-on-foot system out of commission," said Mayor Narkewicz. "I also want to thank parking enforcement, maintenance, and collections staff for pinch-hitting as temporary gate attendants until we resumed normal operations."
